

HOMESTEAD EXEMPTION INFORMATION

Homestead exemptions provide a significant reduction in annual property taxes and are available to individuals who own and reside in a home in DeKalb County. In order to be eligible for the exemption the following requirements must be met:

- The property must be the legal residence for all purposes (including the filing of Federal and State income taxes, registering any owned or leased vehicles, registering to vote, etc.) on January 1st
- Only private residences are eligible for homestead exemption – rental property, vacant land and commercial entities are not eligible
- Owners of multiple properties are allowed only one homestead exemption – at their primary residence
- Married couples are considered as one entity by state law, and are entitled to a single exemption regardless of living arrangements
- Application must be completed by owner of property – exemptions are not automatically granted
- **Application must be received by April 1st deadline** – if received after deadline, it is processed for the following year

Homestead exemptions are not transferable, and must be reapplied for at the new home. Basic homestead applications may be processed by mail, in person, or online at www.dekalbcountyga.gov/taxcommissioner. **Applicant(s) for senior or disability exemptions must apply in person** and present copies of the previous year's Federal and State income tax returns, any Social Security Form 1099s, proof of age, and/or proof of 100% total and permanent disability. Once an exemption has been granted, it remains in place as long as the applicant continues to reside on the property. A Property Assessment Freeze is applied to all properties granted homestead exemption for County assessments.
